TECHNICAL CORRECTIONS TO PREVIOUSLY APPROVED RESOLUTIONS

RESOLUTION FP-00-19

Technical correction to Resolution FP-00-19, originally approved August 24, 2000, for \$36,055,000 in State and Federal funds for seven (7) Local Regional Transportation Improvement (RIP) projects.

On Project #6 (Burbank Realignment and Widening Project - LACMTA - PPNO 07-2368) on the attached vote list, reduce the Programmed amount for Right of Way from \$5,799,000 to \$632,000 and increase Construction from \$0 to \$5,167,000. Also, correct allocation amount from \$5,799,000 in Construction to \$632,000 in State-only funding for Right of Way and a partial allocation of \$3,500,000 in State and Federal funding for Construction. The remaining \$1,667,000 in Construction will be allocated at a future date.

This technical amendment will ensure that funding approved for this STIP project is allocated to the correct fund and phase. The allocation amount of the resolution will be reduced to \$34,388,000.
