#### **RECOMMENDATION**

The Butte County Association of Governments (BCAG) is requesting this amendment. **BACKGROUND**

This amendment programs \$1,150,000 in Regional Improvement Program (RIP) funds in FY 2006-07 from Butte County's Unprogrammed Share Balance towards a \$7,050,000 bridge replacement project across Butte Creek.

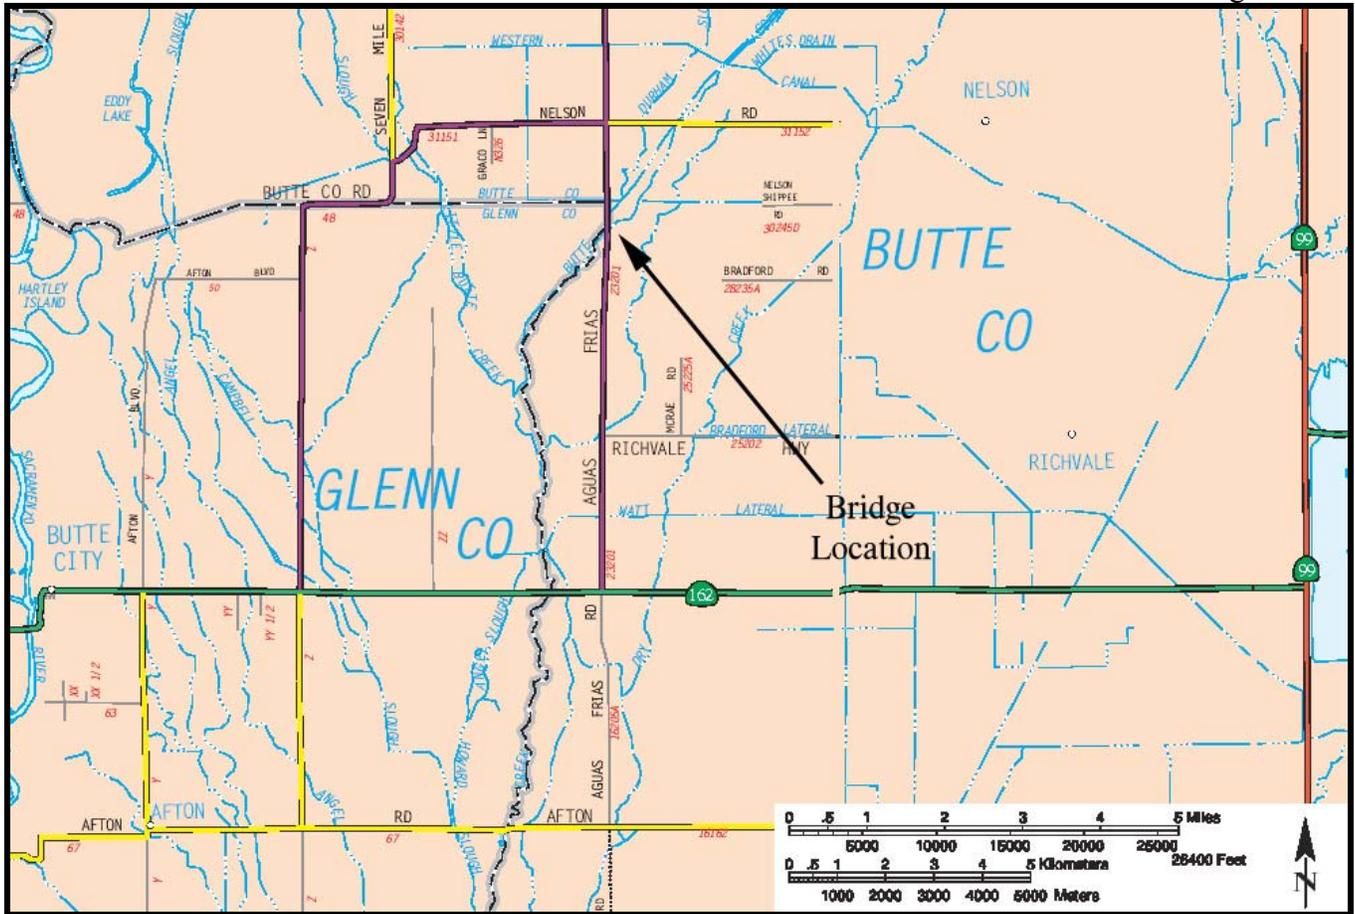

The existing structure does not meet current standards for vertical and horizontal alignments. The new bridge will provide a design that meets current standards for horizontal and vertical alignments, roadway width and design speed. The bridge will be constructed on a new alignment with reconstructed approaches. The RIP funds are to be used as a match to federal Highway Bridge Replacement and Rehabilitation (HBRR) funds.
