Ref: **STIP AMENDMENT 02S-042 ACTION**

Action Update: The Recommendation has been revised.

The County of Los Angeles is requesting the California Transportation Commission (Commission) to approve this State Transportation Improvement Program (STIP) amendment. This amendment was noticed at the December 2002 Commission meeting. There were no questions on the notice and the Commission requested the Action Item be placed on the consent calendar for the February 2003 meeting. A draft AB 3090 Reimbursement Agreement is currently pending approval. The final signed agreement will be delivered to Commission staff prior to action. Los Angeles County Metropolitan Transportation Authority (LACMTA) concurs with this amendment request.

Los Angeles County requests that the commission designate the Grand Avenue Pedestrian Improvement (Phase II) project (PPNO 3122) in the City of Los Angeles as a reimbursement project per AB 3090. Los Angeles County General Funds will be used in FY 2002-03 to advance Construction (CON) for later Regional Improvement Program (RIP) reimbursement in Fiscal Year (FY) 2005-06. Construction is currently programmed in FY 2005-06 for \$2,848,000. This is a revenue neutral programming action.

## **RECOMMENDATION:**

**The Department of Transportation (Department) recommends that the AB 3090 request be approved pending the County of Los Angeles' agreement that the STIP may be amended subject to availability of funds.**
