Issue: By letter dated February 25, 2003 the County of Los Angeles Department of Public Works requested that STIP Amendment 02S-042 noticed at the December 2002 Commission meeting be revised to provide for an AB 3090 replacement project. The County would proceed to construct in FY 02/03 two STIP projects (PPNO 3122, \$2.848 million, programmed in FY 05/06 and PPNO 2865, \$1.821 million, programmed in FY 02/03) with its own non-STIP funds. In return, the Commission would program in the STIP a \$4.669 million AB 3090 replacement project reservation in FY 05/06 for the County of Los Angeles Department of Public Works.

Recommendation: Staff recommends that the Commission approve the AB 3090 replacement project request. Staff also recommends that this AB 3090 replacement project amendment take effect only if the Commission allocates a companion \$4.8 million Statewide Transportation Enhancements (STE) Grand Ave. Federal TEA project (PPNO 931921L).
