Ref: APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING, 04-CC-80, KP 15.1/21.9 (PM 9.4/13.6), RESOLUTION NUMBER E-03-27

ISSUE:

The attached resolution proposes to approve, for future consideration of funding, the following project for which a Negative Declaration has been completed:

- Construct an HOV lane in each direction near Crockett.

Westbound construction (PM 10.0/12.7) is fully funded in the 2002 State Transportation Improvement Program (STIP) with \$31.3 million Interregional Improvement Program (IIP) funds and \$5 million Regional Improvement Program (RIP) funds for a total cost of \$36.3 million. Construction of the eastbound direction is being proposed as a candidate for the 2004 STIP and is estimated to cost \$41 million. The total estimated cost for the entire project, including both directions, is \$77.3 million.

The Negative Declaration and supporting Initial Study have been transmitted to California Transportation Commission staff.

The Department of Transportation (Department) has approved the project for construction. This approval and the resulting filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.

RECOMMENDATION:

The Department recommends that the California Transportation Commission, as a responsible agency, approve the attached Resolution E-03-27.
