requirements of Resolution G-91-2 regarding Hazardous Waste Identification and Clean-up for Rail Right-of-Way; delivered to this Commission,

- E. A formal resolution by the Recipient's Board, stating that when utilizing state-provided and other-than-state funding for acquisition of property or for capital improvements on the Project, Recipient shall agree to indemnify, defend and hold harmless the State, Department and the Commission from clean-up liability or damage, both present and future; and that no additional State funds will be requested for clean-up, damages, or liability associated with hazardous wastes on or below the acquired property, delivered to this Commission;
