Ref: **STIP AMENDMENT 04S-028**

The San Diego Association of Governments (SANDAG) is requesting the California Transportation Commission (Commission) approve this State Transportation Improvement Program (STIP) amendment. This amendment was noticed at the April 2005 Commission meeting. This Action Item is proposed for the consent calendar at the May 2005 Commission meeting.

SANDAG proposes to reprogram \$5,000,000 of Regional Improvement Program (RIP) Transportation Enhancement (TE) Reserve (PPNO 7421) funds in Construction from FY 2005-06 to FY 2006-07.

RECOMMENDATION

The Department of Transportation (Department) recommends approval.

BACKGROUND

SANDAG is currently finalizing project selection criteria for the TE Reserve. However, it is anticipated that there will be an insufficient number of projects ready to go in order to take advantage of the funds currently programmed in FY 2005-06.

RESOLUTION

Resolved, that the California Transportation Commission revise the 2004 State Transportation Improvement Program at the end of the 30-day notice period as follows:
