Ref: **APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING,  
10-SJ-4, PM 5.4/8.2  
RESOLUTION E-06-19**

## **RECOMMENDATION:**

The Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-06-19.

## **ISSUE:**

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration (ND) has been completed:

- Route 4 in San Joaquin County –Curve improvement near Stockton.

This project is fully funded in the 2006 State Highway Operation and Protection Program. The total estimated project cost is \$26,184,000. Construction is estimated to begin in Fiscal Year 2007-2008.

A Negative Declaration was prepared because the project would improve a section of Route 4 on an existing levee next to a slough in the San Joaquin River Delta, and approximately 470,000 cubic yards of fill are required to build up the roadway for the project. A copy of the Negative Declaration has been provided to Commission staff.

The Department has approved this project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
