Subject: **FINANCIAL ALLOCATION FOR LOCALLY-ADMINISTERED STIP TRANSPORTATION
ENHANCEMENT PROJECTS (ADVANCEMENT)
RESOLUTION FP-07-**

RECOMMENDATION:

The Department of Transportation (Department) recommends the California Transportation Commission (Commission) defer an allocation of \$703,000 for two locally-administered State Transportation Improvement Program (STIP) Transportation Enhancement (TE) projects.

ISSUE:

The attached list describes two locally-administered STIP TE projects off the State Highway System totaling \$703,000. The agencies for these projects are ready to proceed and are requesting an allocation at this time; however, these projects are currently programmed in Fiscal Year (FY) 2008-09. Until it can be determined that there will be sufficient savings in the FY 2007-08 TE Program to fund these projects, the Department recommends deferral at this time.
