CTC Meeting: June 10-11, 2009

Reference No.: 2.5h.  
Action Item

From: CINDY McKIM

Prepared by: Norma Ortega  
Chief  
Division of Budgets

Subject: **FINANCIAL ALLOCATION FOR FY 2009-10 LOCAL ASSISTANCE LUMP SUM  
– STATE FUNDS  
RESOLUTION FM-08-05**

## **RECOMMENDATION:**

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) allocate \$128,313,000 in State funds as a lump sum for administering the local assistance subvention budget for Fiscal Year (FY) 2009-10, consistent with the Budget Act of 2009, chaptered on February 20, 2009.

## **ISSUE:**

Each year, the Department requests an annual lump sum allocation to administer the local assistance subvention budget under the authority of the Commission. The Department is requesting authority to sub-allocate State subvention funds, consistent with the Budget Act of 2009. Funding will not be available for suballocation, however, until July 1, 2009.

## **BACKGROUND:**

The Department's Local Assistance Program administers the local assistance subvention budget under authority of the Commission. Each year, the Department requests an annual lump sum allocation for these funds consistent with the Budget Act. The Department anticipates requests for sub-allocations of State subvention funds allocations for the Freeway Service Patrol Program to occur shortly after July 1, 2009.

The guidelines for allocating, monitoring, and auditing of funds for local assistance projects are set forth in Commission Resolution G-99-25, which is based on Government Code 14529.1. The Commission delegates to the Department the authority to adjust allocations between categories, and the Department reports to the Commission if transfers in or out of an expenditure category exceed ten percent of its allocation. The Department will request the federal lump sum funds be allocated by the Commission at a later date, closer to the start of the federal fiscal year. Allocations made by the Commission will be revisited upon enactment of the 2010 Federal Fiscal Appropriation Act to ensure consistency in funding levels from the Federal Highway Administration.

**RESOLUTION:**

Resolved, that \$128,313,000 be allocated from the Budget Act of 2009, Budget Act Item 2660-102-0042(1).
