Subject: **APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING
07-LA-39, PM 31.2
RESOLUTION E-10-09**

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-10-09.

ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Mitigated Negative Declaration (MND) has been completed:

- Route 39 in Los Angeles County. Repair a damaged pier on the North Fork San Gabriel River Bridge in the Angeles National Forest. (PPNO 3917)

This project in Los Angeles County will rehabilitate an existing pier on the North Fork San Gabriel Bridge on Route 39 in the Angeles National Forest. The project is fully funded in the 2008 State Highway Operation and Protection Program. The total estimated project cost is \$3,874,000 for capital and support. Construction is estimated to begin in Fiscal Year 2011-12.

A copy of the MND has been provided to Commission staff. The project will involve construction activities resulting in potential water quality impacts that will be addressed by mitigation measures and Best Management Practices (BMPs). As a result, a MND was completed for this project.

The Department has approved this project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
