Subject: **APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING**
03-ED-50, PM 66.7/67.8
RESOLUTION E-10-32

RECOMMENDATION:

The California Department of Transportation recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-10-32.

ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Mitigated Negative Declaration (MND) has been completed:

- Route 50 in El Dorado County. Upgrade masonry rock wall parapets at seven locations along Route 50 near Echo Lake. (PPNO 3262)

This project in El Dorado County will upgrade deteriorating rock wall parapets at seven locations along Route 50 near Echo Lake. The parapets will be upgraded by constructing modified Type 736 concrete barriers on Portland cement slabs. The project is fully funded in the 2010 State Highway Operation and Protection Program. Total estimated project cost is \$5,568,000 for capital and support. Construction is estimated to begin in Fiscal Year 2010-11.

A copy of the MND has been provided to Commission staff. The project will involve construction activities that will result in traffic delays and construction related dust and exhaust emissions. In addition, construction activities will be occurring in the immediate area of the Upper Myers Grade, a National Register Eligible historic property. As a result, an MND was completed for this project.
