RESOLUTION E-10-78

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-10-78.

ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration (ND) has been completed:

- Route 12 in Sonoma County. Replace an existing bridge on Route 12 near the city of Sebastopol. (PPNO 0756F)

This project in Sonoma County will replace the Laguna de Santa Rosa Bridge on Route 12 in the city of Sebastopol. The project is programmed in the 2010 State Highway Operation and Protection Program. Construction is estimated to begin in Fiscal Year 2010-11. Total estimated project cost is \$19,213,000 for capital and support. The scope as described for the preferred alternative is consistent with the project scope programmed by the Commission in the 2010 State Highway Operation and Protection Program.

A copy of the ND has been provided to Commission staff. The project will require construction activities in sensitive riparian habitat including wetlands. Studies concluded that the project will not have impacts to any resources in the project area. As a result, an ND was completed for this project.
