Subject: **PROPOSITION 1B LETTERS OF NO PREJUDICE**
RESOLUTION LONP1B-A-1112-02

RECOMMENDATION:

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve three Letters of No Prejudice (LONP), available under Assembly Bill (AB) 672, for the projects identified on the attached spreadsheet.

ISSUE:

Due to the unavailability of Proposition 1B funds, the City of Los Angeles is requesting AB 672 authority to substitute Traffic Light Synchronization Program (TLSP) funds with other funds for construction of three programmed projects in order to keep the projects on schedule.

The three City of Los Angeles projects will improve traffic flow, reduce delay and improve air quality on the Automated Traffic Surveillance and Control (ATSAC) - Coliseum/Florence, ATSAC - Coliseum/Florence Phase 2, and ATSAC - Foothill corridors.

BACKGROUND

Government Code Section 14556.33 allows an applicant agency that is either a regional or local entity, to seek approval of a LONP. If approved by the Commission, the LONP allows the applicant agencies to expend its own funds for any component of the transportation project, and seek allocation and reimbursement from the TLSP in the future.

RESOLUTION LONP1B-A-1112-02:

Resolved, with all conditions stipulated still in effect, the California Transportation Commission hereby approves a Letter of No Prejudice (LONP) for three projects programmed in, or otherwise funded from the Traffic Light Synchronization Program (TLSP) in accordance with the attached project list; and

Be it Further Resolved, that each agency understands that it proceeds at its own risk, as reimbursement is dependent on future availability of TLSP funding; and

Be it Further Resolved, that the project component covered by an approved LONP should be ready to proceed to contract award (or equivalent) once the LONP is approved; and

Be it Further Resolved, that the agency shall report to the Department within four months following LONP approval on progress in executing agreements and third-party contracts needed to execute the work.
