In each even numbered year, the Department prepares four-year SHOPP defining major capital improvements necessary to preserve and protect the State Highway System. Periodically, the Department amends the SHOPP to address newly identified needs prior to the next programming cycle. This report identifies four capital projects amended into the 2010 SHOPP and 51 new capital projects amended into the 2012 SHOPP.

The “List of New 2010 SHOPP Capital Project Amendments” (Attachment 1), the “List of New 2012 SHOPP Capital Project Amendments” (Attachment 2), provides specific project information.
