

Memorandum

To: CHAIR AND COMMISSIONERS
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: March 21-22, 2018

Reference No: 2.5b.(2)
Action Item

From: NORMA ORTEGA
Chief Financial Officer

Prepared by: Steven Keck, Chief
Division of Budgets

Subject: **FINANCIAL ALLOCATION FOR SHOPP PROJECTS**
PA&ED, PS&E AND R/W SUPPORT
RESOLUTION FP-17-38

ISSUE:

Should the California Transportation Commission (Commission) approve an allocation of \$226.9 million for Project Approval and Environmental Document (PA&ED), Plans, Specifications and Estimate (PS&E) and Right-of-Way (R/W) support for 241 phases programmed in the 2016 State Highway Operation and Protection Program (SHOPP)?

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the Commission approve an allocation for the following phases for the amounts and number of projects listed below programmed in the 2016 SHOPP:

- \$145.2 million for PA&ED for 147 projects
- \$71.5 million for PS&E for 51 projects and
- \$10.2 million for R/W support for 43 projects.

The attached list describes 241 SHOPP phases totaling \$226.9 million for PA&ED, PS&E and R/W support costs that are ready now.

BACKGROUND:

The 2016 SHOPP details both support and construction capital for rehabilitation projects on the State Highway System. The passage of the Road Repair and Accountability Act (SB 1) necessitates that the Department and the Commission establish baseline budgets for each phase of each project in the 2016 SHOPP, and requires an allocation of each support phase on or after July 1, 2017.

FINANCIAL RESOLUTION:

Resolved, that \$226.9 million be allocated for PA&ED, PS&E and R/W support for SHOPP projects described on the attached list.
