Subject: RELINQUISHMENT RESOLUTIONS

ISSUE:

Should the California Transportation Commission (Commission) approve the California Department of Transportation's (Department) request for the relinquishment resolutions that will transfer highway facilities no longer needed for the State Highway System to the local agencies identified in the summary?

RECOMMENDATION:

The Department recommends that the Commission approve the relinquishment resolutions, summarized below, that will transfer highway facilities no longer needed for the State Highway System to the local agencies identified in the summary. It has been determined that each facility in the specific relinquishment resolution summarized below may be disposed of by relinquishment. Upon the recording of the approved relinquishment resolutions in the county where the facilities are located, all rights, title and interest of the State in and to the facilities to be relinquished will be transferred to the local agencies identified in the summary. The facilities are safe and drivable. The local authorities have been advised of the pending relinquishments a minimum of 90 days prior to the Commission meeting pursuant to Section 73 of the Streets and Highways Code. Any exceptions or unusual circumstances are described in the individual summaries.
