Ref: **FY 2005-06 STIP/SHOPP PENDING ALLOCATION LIST**  
**RESOLUTION FP-05-79**

**CTC ACTION UPDATE: The California Transportation Commission approved funding for 50 STIP projects totaling \$18,313,000 on the Pending Allocation List in accordance with the Financial Resolution below and the projects identified on the attached Vote List.**

## **RECOMMENDATION:**

The Department of Transportation (Department) recommends the California Transportation Commission (Commission) allocate up to \$17,663,000 for 49 STIP projects identified on the attached list that fall into Category 1 and Category 2 of the FY 2005-06 STIP/SHOPP Allocation Plan and Criteria.

## **ISSUE:**

At the July 13-14, 2005 meeting, the California Transportation Commission (Commission) adopted the STIP/SHOPP Allocation Plan and Criteria (the Plan) that sets forth the funding priorities for projects programmed in the State Transportation Improvement Program (STIP) and the State Highway Operation and Protection Program (SHOPP) in Fiscal Year (FY) 2005-06. The need to prioritize the allocation of projects for FY 2005-06 is due to the uncertainty of available transportation funding.

At the August 18, 2005 meeting, the Commission established a pending allocation list for projects where the agency has requested an allocation, but funding is not available to enable the Commission to approve the request for funding. In the meantime, implementing agencies continue to submit allocation requests for projects that have been delivered. The attached list identifies 25 SHOPP allocation requests totaling \$85,611,000 and 107 STIP allocation requests totaling \$45,488,000 that have been deferred since July 2005.

Of the 107 STIP projects, several agencies have requested that their projects be removed from the Pending Allocation List because the project has been funded from other sources or the project was removed from the STIP altogether during the 2006 STIP development cycle. The 17 projects totaling \$7,987,000 proposed for deletion are shown in strikethrough and will be removed for the next report.

4.2a.

Page 2 of 2

The SHOPP projects and STIP Category 3 projects not proposed for allocation at this time will remain on the Pending Allocation List for the next report.

**FINANCIAL RESOLUTION:**

Resolved, that \$18,313,000 be allocated from the Budget Acts of 2004 and 2005, Non-Budget Act Items 2660-601-3008 and 801-3008, and Budget Act Items 2660-101-0042 and 2660-101-0890 for 50 STIP projects, as described on the attached vote list.
