**CTC ACTION UPDATE: The California Transportation Commission allocated \$216,000 for one locally administered Proposition 1B State-Local Partnership Program project off the State Highway System in the city of Madera.**

## **RECOMMENDATION:**

The California Department of Transportation recommends the California Transportation Commission (Commission) defer an allocation of \$216,000 for one locally administered State-Local Partnership Program (SLPP) project off the State Highway System.

## **ISSUE:**

The attached vote list describes one locally administered SLPP project for \$216,000, plus \$218,000 from local sources. Although the local agency is ready to proceed with this project, it is recommended that the Commission defer this allocation until sufficient bond proceeds become available.

**Resolved, that \$216,000 be allocated from the Budget Act of 2009, Budget Act Item 2660-104-6060 for one locally administered Proposition 1B State-Local Partnership Program project.**

**Be it Further Resolved, that as a condition of allocation of these funds and to perform its administrative role established by Senate Bill 88, the Commission requests that the Department of Transportation perform the functions necessary to ensure proper accountability measures are employed and reporting requirements are met for the Proposition 1B State-Local Partnership Program.**
