

Yerba Buena Island Westside Bridges Improvements

SAN FRANCISCO COUNTY TRANSPORTATION AUTHORITY

September 15, 2011.

YBI Westside Bridges Improvements

- ▶ **Seismic Retrofit of Nine (9) Bridge Structures on the West Side of Yerba Buena Island**

SAN FRANCISCO COUNTY TRANSPORTATION AUTHORITY

West-side Bridges History

- **These bridges were previously owned by the Navy therefore not eligible for HBP funds**
- **Bridges ownership currently being transferred to CCSF**
- **HBP eligibility established in the Fall 2010**
- **Bridges currently provide the only WB on and EB off access from I-80 to Treasure Island (TI)**
- **Bridges are a critical component of TI circulation and access to and from the SFOBB**

West-side Bridges Schedule

- **Complete Seismic Strategy Reports – Sept. 2011**
- **Complete Environmental/Final Design– Early 2013**
- **Construction Funding Allocation – Spring 2013**
- **Advertise Construction Contract - Summer 2013**
- **Award Construction Contract – Late 2013**
- **Start Construction– Spring 2014**
- **Complete Construction – Summer 2015**
