

# Memorandum

To: CHAIR AND COMMISSIONERS  
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: June 27-28, 2012

Reference No.: 2.5c.(3d) - **REVISED**  
Action Item

From: NORMA ORTEGA  
Chief Financial Officer

Prepared by: Steven Keck  
Division Chief  
Budgets

Subject: **FINANCIAL ALLOCATION FOR LOCALLY ADMINISTERED STIP PROJECTS  
OFF THE STATE HIGHWAY SYSTEM  
RESOLUTION FP-11-83**

**CTC ACTION UPDATE: The California Transportation Commission allocated \$83,000  
for two local administered STIP TE projects off the State Highway System.**

## **RECOMMENDATION:**

The California Department of Transportation (Department) does not recommend the California Transportation Commission (Commission) allocate \$83,000 for two locally administered State Transportation Improvement Program (STIP) Transportation Enhancement (TE) projects, off the State Highway System because these projects are not programmed in the STIP.

## **ISSUE:**

The attached vote list describes two locally administered STIP TE projects off the State Highway System totaling \$83,000. The local agencies are ready to proceed with these projects and are requesting a supplemental allocation at this time; however, these projects are not programmed in the STIP, therefore the Department does not recommend allocation.

## **FINANCIAL RESOLUTION:**

**Resolved, that \$83,000 be allocated from the Budget Act of 2010 and 2011, Budget Act Items 2660-101-0042 and 2660-101-0890 for two locally administered STIP TE projects described on the attached vote list.**
