Subject: **STATE-LOCAL PARTNERSHIP PROGRAM – 2012-13 COMPETITIVE PROGRAM LATE APPLICATIONS**

ISSUE:

Proposition 1B, passed in November 2006, authorized \$1 billion for the State-Local Partnership Program (SLPP). The program is divided into two sub-programs – a formula program to match local sales tax, property tax and/or bridge tolls (95%), and a competitive program to match local uniform developer fees (5%).

The California Transportation Commission (Commission) approved the SLPP 2012-13 Savings Policy for the competitive program in September 2012. This policy allowed agencies to submit late applications by November 30 in order to be in line to receive any savings that may be available during this last year of the five-year program. As shown on the attached list, 17 late applications were received and reviewed by Commission and Caltrans staff. Of the 17, 12 have been found to be eligible for competitive SLPP funds and will be on the list for programming at future meetings if funds become available.

BACKGROUND:

The Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, approved by the voters as Proposition 1B on November 7, 2006, authorized \$1 billion to be deposited in the State-Local Partnership Program Account to be available, upon appropriation by the Legislature, for allocation by the Commission over a five-year period to eligible transportation projects nominated by an applicant transportation agency.

In 2008, the Legislature enacted implementing legislation (AB 268) to add Article 11 (commencing with Section 8879.66) to Chapter 12.491 of Division 1 of Title 2 of the Government Code. This defines the program, eligibility of applicants, projects and matching funds.
