Subject: APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING
04-SM-1, PM 41.7/43.0
RESOLUTION E-14-09

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-14-09.

ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Final Environmental Impact Report (FEIR) has been completed:

- State Route 1 (SR 1) in San Mateo County. Widen a portion of SR 1 from four lanes to six lanes in the city of Pacifica. (PPNO 0632C)

This project in San Mateo County will widen a portion of State Route 1 from four lanes to six lanes in the city of Pacifica. The project is not fully funded. The project is programmed in the 2012 State Transportation Improvement Program. The total estimated cost is \$53,250,000 for capital and support. Depending on the availability of funds, construction is estimated to begin in Fiscal Year 2014-15. The scope, as described for the preferred alternative, is consistent with the project scope programmed by the Commission in the 2012 State Transportation Improvement Program.

A copy of the FEIR has been provided to Commission staff. Resources that may be impacted by the project include: aesthetics, community impacts, cultural resources, hazardous waste, water quality, and biological resources. Potential impacts associated with the project can all be mitigated to below significance through proposed mitigation measures. As a result, an FEIR was prepared for the project.
