ADOPTION OF FEDERAL FY 1998-99
ELDERLY AND DISABLED TRANSIT PROGRAM

Resolution G-98-15

WHEREAS Federal law (Title 49 U.S.C. Section 5310) provides for capital grants for the purpose of assisting private nonprofit corporations, and, under certain circumstances, public agencies in providing transportation services to meet the needs of elderly persons and persons with disabilities for whom public mass transportation services are otherwise ***unavailable, insufficient, or inappropriate.***

WHEREAS State law, AB 772 (Chapter 669, Statutes of 1996), placed three mandates on the Commission regarding that program as follows:

1. The Commission shall direct Caltrans on how to allocate funds for the program.
2. The Commission shall establish an appeals process for the program.
3. The Commission shall hold at least one public hearing prior to approving its program of projects.

WHEREAS the Commission worked with a 15-member advisory committee made up of individuals from the Regional Transportation Planning Agencies, state and local social service agencies, the California Association for Coordinated Transportation, Caltrans, and Commission staff, to develop a program process that will provide for a statewide ranked list of projects to be adopted by the Commission and funded by Caltrans.

WHEREAS the Commission adopted a process utilizing project scoring criteria and a statewide review committee consisting of representatives from the State Departments of Rehabilitation, Developmental Services, Aging, and Transportation, with Commission staff acting in the role of facilitator/coordinator for the statewide committee.

WHEREAS the Commission adopted a timeline for the Federal FY 1998-99 cycle calling for a public hearing and adoption of the program at its August 19-20, 1998 meeting.
