Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Kern Council of Governments (Kern COG) Amendment Number 4 to their 2008/09-2011/12 Federal Transportation Improvement Program (FTIP). The amendment revises the project limits for project KER060409, and revises funding amounts and fund sources for project KER050531. Kern COG submitted these changes through an administrative modification consistent with the Federal Statewide Transportation Improvement Program (FSTIP) modification procedures. Since administrative modifications do not require Federal Highway Administration or Federal Transit Administration approval, this amendment has been included in California's 2009 FSTIP.

Please address any questions on this FSTIP approval request to Penny Gray of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in blue ink that reads "Muhaned Aljabiry".

MUHANED ALJABIRY, Chief  
Office of Federal Transportation Management Program
