RE: Administrative Amendment #8 (Type 1) to the Stanislaus Council of Government's 2009 FTIP

Mr. Aljabiry:

The Stanislaus Council of Governments (StanCOG) Policy Board has authorized its Executive Director to approve Administrative Amendment #8 to StanCOG's 2009 FTIP. The purpose of this letter is to notify Caltrans, FHWA and the FTA that an administrative amendment has been authorized and approved. A summary of changes to projects listed in the 2009 FTIP is attached as well as each project's corresponding CTIPS page. The financial tables have also been revised to reflect funding changes.

Modifications included in this Administrative Amendment meet the criteria identified in the letter issued by FHWA on November 17, 2008, regarding revised Federal/Statewide Transportation Improvement Program Modification Procedures. Per these "Procedures", StanCOG is issuing "minor" changes related to project cost, selection or programming that do not interfere with the timely implementation of any approved TCMs project. None of the project modifications within this amendment require a re-determination of the air quality conformity analysis. Administrative Amendments to the FTIP used in lieu of Formal Amendments are not subject to FHWA approval.

This Administrative Amendment includes revised language and additional documentation requested by Caltrans, which provides improved backup supporting documentation for the 2009 FTIP. These changes are also summarized in the statement of change attached. The changes included in this amendment are modifications to several projects scheduled for delivery in FY 09/10. These modifications incorporate previously unprogrammed FY 08/09 & FY 09/10 CMAQ funds to existing CMAQ eligible projects. The programming of these additional funds is in accord with Caltrans' Administrative Modification policy

as none of the funding exceeded 25% of total project cost nor did they exceed $5,000,000 for a single modification. Additionally, this amendment adds new RSTP & ARRA-RSTP eligible road segments for the City's of Hughson, Waterford, Patterson and Turlock as well as Stanislaus County. The new road segments have been incorporated into the existing agency's RSTP lump sum street and road list and are highlighted for your records. Lastly, the HR3 safety project on Tim Bell Road has been reprogrammed, moving the project from FFY 08/09 to FFY 09/10. The project was errantly programmed in FFY 08/09; a copy of the revised CTIPS page is included for your review.

If you have questions or comments regarding this Amendment, please contact Scott Philips, Interim Senior Planner at (swphilips@stancog.org) or via telephone at 209-525-4600.

Sincerely,

Vince Harris
Executive Director

A change was made in CTIPs to sort the project in the TE Program. Secondly, no matching funds were identified. STIP projects can be programmed without a local match because state funds can match federal funds at the time of the allocation vote. StanCOG has split the CTC approved STIP TE programming to reflect 88.53% federal and 11.47% state cash. There are no changes to total cost.
Existing	11400000153	Turlock	Golden State Boulevard from Christofferson Parkway to Roberts Road	09/10	11/12	**CON**	TE-Local Match	NA	**Fiscal Year Changes to Project within a Quadrennial Element.** The local match for construction funding was identified in FY 09/10 when the TE construction dollars were shown in 11/12. The change shifts the $60,000 in local matching funds from FY 09/10 to FY 11/12. It also revises the local match from $60,000 to $61,000, resulting in a $1,000 increase in total project costs. This was done so the local match can meet minimum federal matching requirements.

The change shifts the $59,000 in local matching funds from FY 09/10 to FY 11/12. The $59,000 is also increased to $59,468 to meet the minimum federal requirements for local matching funds. The total project cost is revised from $543,000 to $543,468.
