METROPOLITAN PLANNING ORGANIZATIONS
REGIONAL TRANSPORTATION PLANNING AGENCIES

Subject: Prior Year Regional Surface Transportation Program (RSTP) and Congestion Mitigation and Air Quality (CMAQ) Apportionments

Dear Executive Directors:

Final distribution of RSTP and CMAQ apportionment's for Federal Fiscal Years (FFY) 2003-04, 2004-05, and 2005-06 are attached for your information. These apportionments are made in accordance with Section's 182.6(b) and 182.7(b) of the California Streets and Highways Code, respectively.

Apportionments are based on the following: Notice 4510.603, Revised Supplementary Tables 2004; Notice 4510.563, Supplementary Tables, 2005; and Notice 4510.604, Supplementary Tables, 2006. Federal notices are available online at http://www.fhwa.dot.gov/legsregs/directives/notices.htm.

Regional Surface Transportation Program - Attachments I, II, and III

The statewide RSTP totals reflect a two percent set aside for State Planning and Research, 10 percent deduction for the Transportation Enhancement Program, and 10 percent deduction for Safety Programs as specified in the applicable Federal authorization act. The distributions include the pro-rata distribution of Minimum Guarantee (MG) or Equity Bonus (EB) funds as specified in Title 23 United States Code (USC), Section 105(c).

The RSTP totals reflect a pro-rata $500,000 deduction for the Cooperative Training Assistance Program (CTAP). The CTAP is a State-Local subsidized training program for public employees in the transportation field and administered by the University of California. Information regarding training courses available through CTAP may be obtained by contacting the Institute of Transportation Studies at (510) 231-9590.

The RSTP apportionments comply with Streets and Highways Code 182.6(d), which require RSTP apportionments to equal or exceed 110 percent of FFY 1990-91 Federal Aid Secondary funding and to equal or exceed FFY 1990-91 Federal Aid Urban funding adjusted by population.

Congestion Mitigation and Air Quality – Attachments IV, V, and VI

The final adjusted CMAQ totals reflect a two percent set aside for State Planning and Research and includes the pro-rata distribution of MG or EB. CMAQ apportionments are distributed based on non-attainment area population and pollutant factors.

Un-obligated Apportionment Balances

The California Department of Transportation (Caltrans), Division of Local Assistance, will adjust regional un-obligated apportionment balances as necessary. The status of un-obligated funding is available on Caltrans' website at http://www.dot.ca.gov/hq/LocalPrograms/AB1012/ab1012.htm.

For information on un-obligated apportionment balances, please consult your Caltrans District Local Assistance Engineer.

If you have any questions regarding these apportionments, please contact Cathy Gomes at (916) 654-3271.

Sincerely,

RACHEL FALSETTI
Chief
Office of Federal Transportation Management Program
