Subject: REVISED 2015 FTIP HSIP BACKUP LIST (INCLUDES TOLL CREDITS FOR HSIP6 PROJECTS)
Importance: High

Hi Abhijit:

Attached is the revised 2015 FTIP HSIP Backup List (file dated 7-17-2015) for the Local Highway Safety Improvement Program (HSIP).

This list includes Toll Credits for HSIP Cycle 6 projects to cover the local match required for federally eligible project costs. HSIP Cycle 6 projects are identified by Unique Project ID numbers that begin with HSIP6 (see Backup List, column A). This will be effective for any Cycle 6 HSIP federal authorizations until September 30, 2016. The Current Programmed Federal Funds for HSIP Cycle 6 projects have been increased to provide 100% federal share for federally eligible project costs, using Toll Credits to cover the required local match (see Backup List, column I). I have also attached a copy of the letter allowing the use of toll credits for HSIP Cycle 6 projects.

Note that Other/Local Funds should be programmed in the same fiscal year that federal funds are programmed

Please notify MPO Coordinators to incorporate the attached Backup Listings for the Highway Safety Improvement Program (HSIP) as needed into their 2015 FTIP. This revised 2015 FTIP Backup List can also be downloaded at http://www.dot.ca.gov/hq/LocalPrograms/HSIP/hsip-statewide-backuplists_2015.html. This Backup List now supersedes prior lists.

Thank you,

Greg Tom
