Subject: Amendment #14 (Administrative Amendment) to the FY 2004/05 through 2009/10 Council of Fresno County Governments FTIP

Mr. Bagde:

The Executive Director of the Council of Fresno County Governments Policy Board hereby approves Amendment #14 (Administrative Amendment) to the *FY 2004/05 through 2009/2010 Federal Transportation Improvement Program (FTIP)*. Below are the specified changes to the FTIP:

City of Clovis, CTIPS ID 203-0000-0372: Change to the *Regional Surface Transportation Program*. The description of this project is being revised to provide a more accurate detailing of the project location. The description has been change to: Construction of center travel lanes of the couplet to connect the alignments of Peach Avenue south of Herndon Avenue.

It should be noted that the projects contained within this amendment do not require a re-determination of the air quality conformity analysis and are exempt from conformity as per CFR Section 93.126.

You should be aware that as per Fresno COG's adopted *Policies and Procedures*, Administrative Amendments are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The project being adjusted meets these criteria. Administrative Amendments are used in lieu of standard FTIP Amendments, and as such, are not subject to Federal and Stated approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that

Member Agencies: The cities of Clovis, Coalinga, Firebaugh, Fowler, Fresno, Huron, Kerman, Kingsburg, Mendota, Orange Cove, Parlier, Reedley, San Joaquin, Sanger, Selma & Fresno County

this Administrative Amendment has taken place. We will be updating the California Transportation Improvement Program System (CTIPS) to reflect this amendment. If you should have any questions or comments, please feel free to call Renee DeVere or Les Beshears at (559) 233-4148.

Sincerely,

BARBARA GOODWIN, Executive Director
Council of Fresno County Governments
