Mr. Will Kempton, Director
California Department of Transportation
1120 N Street
Sacramento, California 95814

Attention: Rachel Falsetti, Transportation Programming, MS-82

Dear Mr. Kempton:

SUBJECT: FY 2004/05 FSTIP Amendment No. 6 – Merced County Association of Governments (MCAG)

The Federal Highway Administration (FHWA) has completed its review of Amendment No. 6 to the MCAG's 2004/05-2006/07 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated May 25, 2005. MCAG adopted this amendment with Resolution No. 2005/05-19-02 on May 19, 2005, approving these program modifications and reaffirming the conformity of the MCAG FTIP with the applicable State Implementation Plan (SIP) for air quality.

This amendment was requested by the California Department of Transportation (Caltrans) to modify MCAG's Highway Bridge Replacement and Rehabilitation (HBRR) group listing (MPO ID: CT004) for Fiscal Year (FY) 2004/05. Modifications are consistent with the April 2005 HBRR program list provided by Caltrans.

We accept this amendment in accordance with the provisions of 23 CFR Part 450. We find that this amendment was developed through a continuing, cooperative, and comprehensive transportation planning process carried out in accordance with the provisions of 23 U.S.C. section 134, and section 8 of the Federal Transit Act (49 U.S.C. app. §1607). Based on our review, we find that changes made to the MCAG FTIP by this amendment are for project types within Table 2 & 3 – Exempt Projects, of 40 CFR 93.126 and 93.127, and are exempt from the requirement that a conformity determination be performed. Therefore, we find this FTIP to conform to the applicable State Implementation Plan (SIP).

This finding has been coordinated with the regional office of the Environmental Protection Agency (EPA) and Region IX office of the Federal Transit Administration (FTA) in accordance with the procedures outlined on the Memorandum of Understanding between the FHWA, California Division, and the FTA, Region IX dated July 15, 2004, on Roles and Responsibilities for Single Mode Amendments.

This letter also constitutes approval and inclusion of the MCAG's FTIP Amendment No. 6 into California's 2004/05 – 2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

If you have any questions or need further information, please contact Mr. Leigh Levine of the Federal Highway Administration, California Division office at (916) 498-5034.

Sincerely,

/s/ K. Sue Kiser

Division Administrator
