RE: MTC TIP Amendment 2005-02

Dear Mr. Chittenden,

I am writing to notify you of several changes the Metropolitan Transportation Commission (MTC) recently made to the 2005 Transportation Improvement Program (TIP) with formal amendment 05-02 which was approved by the Commission at its meeting held earlier today.

Amendment 05-02 programs 2nd Cycle STP/CMAQ projects into the 2005 TIP. 2nd Cycle projects include numerous Local Street and Road Rehabilitation projects, new Transportation for Livable Communities (TLC) projects and funding for CMA planning activities. The amendment also constraints several STIP projects to the adopted STIP and makes other corrections to projects throughout the region.

All the revisions made with this amendment will not change the air quality conformity or conflict with the financial constraint requirements of the TIP. The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at:

<http://www.mtc.ca.gov/publications/tip/proposed.htm>

I have enclosed MTC Resolution No. 3630, Revised, MTC's approval of TIP Amendment No. 05-02, for your information as well as the Certificate of Clearance under Intergovernmental Review. The amendment will also be uploaded into CTIPS very shortly. If you have any questions regarding this amendment, please contact Raymond Odunlami of my staff at (510) 464-7717.

Sincerely,

Therese W. McMillan

ABSTRACT

Resolution No. 3630, Revised

This resolution adopts the 2005 Transportation Improvement Program (TIP).

Further discussion of the programming is contained in the "Executive Director" memorandum dated July 14, 2004.

Amendment 05-01 was an administrative amendment approved by MTC's Executive Director on November 17, 2004. It constrained several projects in the 2005 TIP to the adopted 2004 State Transportation Improvement Program (STIP), made revisions to the Catalytic Device procurement program and made minor revisions to projects throughout the region.

Amendment 05-02, referred to PAC on December 8, 2004, amended into the 2005 TIP new air quality exempt, regionally significant, locally funded projects, and projects funded through the second cycle STP/CMAQ/TE program, including TLC Capital Projects and the Local Streets and Roads Rehabilitation Projects. The amendment also reconciles projects funded with STIP funds to the 2004 STIP as adopted by the California Transportation Commission (CTC) and makes revisions to several projects throughout the region.

Re: Adoption of the 2005 Transportation Improvement Program (TIP)

METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 3630

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Section 66500 et seq.; and

WHEREAS, MTC is the designated Metropolitan Planning Organization (MPO) for the nine-county San Francisco Bay Area region (the region); and

WHEREAS, federal regulations (23 CFR 450) require the region to carry out a continuing, cooperative and comprehensive transportation planning process as a condition to the receipt of federal assistance to develop and update biennially a Transportation Improvement Program (TIP) consisting of a comprehensive listing of transportation projects that receive federal funds or that are subject to a federally required action, or that are regionally significant; and

WHEREAS, the TIP must be consistent with the Regional Transportation Plan (RTP) adopted pursuant to Government Code Section 66508, the State Implementation Plan (SIP) as required by the federal Clean Air Act (42 U.S.C. Section 7401 et seq.); and MTC Resolutions Nos. 2730 and 3075, which establish the current Air Quality Conformity Procedures for MTC's TIP and RTP; and

WHEREAS, federal regulations (23 CFR 450.324(e)) require that the TIP be financially constrained, by year, to reasonable estimates of available federal and state transportation funds; and 23 CFR 450.332(c) allows MTC to move projects between years in the first three years of the TIP without a TIP amendment, if procedures are adopted to ensure such shifts are consistent with the required year by year financial constraints; and MTC Resolution No. 3630 establishes such procedures: and

WHEREAS, MTC has found that the 2005 TIP, as set forth in this resolution, conforms to the applicable provisions of the State Implementation Plan for the San Francisco Bay Area, including the motor vehicle emissions budget contained in the 2001 Ozone Attainment Plan (MTC Resolution No. 3629); now, therefore be it

RESOLVED, that MTC has developed the 2005 TIP in cooperation with county Congestion Management Agencies, the Bay Area Air Quality Management District, transit operators, counties, the California Department of Transportation (Caltrans), and in consultation with the Federal Highway Administration (FHWA), Federal Transit Administration (FTA) and federal Environmental Protection Agency (EPA); and, be it further

RESOLVED, that the projects and programs included in the 2005 TIP, attached hereto as Attachment A to this resolution, and incorporated herein as though set forth at length, are consistent with the RTP; and, be it further

RESOLVED, that the 2005 TIP is financially constrained, by year, to reasonable estimates of available federal and state transportation funds; and, be it further

RESOLVED, that amendments to the 2005 TIP as set forth in Attachment B to this resolution and incorporated herein as through set forth at length, shall be made in accordance with rules and procedures established in MTC Resolution No. 3630, and that the Executive Director has the signature authority to approve certain TIP amendments, and to forward all required TIP amendments once approved by MTC to the appropriate state and federal agencies for review and approval; and, be it further

RESOLVED, that except as to those projects that are identified as administratively approved in Attachment A, the adoption of the TIP shall not constitute MTC's review or approval of those projects included in the TIP pursuant to Government Code Sections 66518 and 66520, or to federal regulations (49 CFR 17) regarding Intergovernmental Review of Federal Programs; and, be it further

RESOLVED, that MTC's review of projects contained in the TIP shall be accomplished in accordance with procedures and guidelines set forth in MTC Resolutions Nos. 2730 and 3075 Revised, and as otherwise adopted by MTC; and, be it further

RESOLVED, that MTC will support, where appropriate, efforts by project sponsors to obtain letters of no prejudice or full funding agreements from FTA for projects contained in the transit element of the TIP; and, be it further

RESOLVED, that the Executive Director shall forward a copy of this resolution to the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), the federal Environmental Protection Agency (EPA), the California Department of Transportation (Caltrans), the Association of Bay Area Governments (ABAG), and to such other agencies and local officials as may be appropriate.
