RE: MTC TIP Amendment 2007-13

Dear Mr. Aljabiry:

I am writing to notify you of several changes the Metropolitan Transportation Commission (MTC) recently made to the 2007 Transportation Improvement Program (TIP) with Administrative Modification 07-13.

Amendment 07-13 is an administrative modification that made several minor revisions to project descriptions, project funding and project delivery schedules for 21 projects throughout the region.

All the revisions made with this amendment will not change the air quality conformity or conflict with the financial constraint requirements of the TIP. The changes also meet the criteria for changes that may be made administratively. The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at:

<http://www.mtc.ca.gov/funding/tip/amendments.htm>

The amendment will also be uploaded into CTIPS very shortly. If you have any questions regarding this amendment, please contact Raymond Odunlami of my staff at (510) 817-5799.

Sincerely,

Therese W. McMillan  
Deputy Executive Director, Policy
