Attention: Sue Kiser

Attention: Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting Administrative Modification No. 10 to California's 2006/07-2008/09 Federal Statewide Transportation Improvement Program (FSTIP), which makes minor modifications to the FSTIP. Minor changes are made to the Highway Bridge Program Federally Mandated Inspection Program and the Highway Bridge Program Grouped Project Listing for the rural, non-Metropolitan Planning Organization portion of the State. The Highway Bridge Program Federally Mandated Inspection Program is decreased by \$120,000 in Fiscal Year (FY) 2006/07 and the Highway Bridge Program Grouped Project Listing is increased by \$120,000 in the same FY.

These changes are submitted as an administrative modification based on the following: 1) the changes occurred within the triennial element; 2) the changes to the total cost of the projects did not exceed \$2 million or 20 percent; 3) the adjustments do not reflect a change in the design concept or scope of the projects; and 4) the modifications do not affect timely implementation of Transportation Control Measures or financial constraints. Projects included in this administrative modification are in unclassified areas of the state for air quality conformity determination or are exempt per 40 Code of Federal Regulations Section 93.126, Table 2, or Table 3.

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, this FSTIP modification has been amended into California's 2006/07-2008/09 FSTIP.

Please address any questions on this amendment to Penny Gray of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Muhaned Aljabiry".
