SUBJECT: Administrative Amendment #8 to the 2007 Federal Transportation Improvement Program

Dear Mr. Robledo:

Enclosed is the documentation for Administrative Amendment #8 to the 2007 Federal Transportation Improvement Program. The Executive Director has the authority to approve all administrative amendments. State approval is required; however Federal approval is not required.

FTIP Amendment #8 amends the following projects in the 2007 FTIP:

- (1) City of Tracy 10th Street between Central and East Streets (CTIPS ID# 212-0000-0334) Widen sidewalks and construct bicycle facilities. This is a technical correction in CTIPS to identify the correct STIP fund type for this project—STP Enhancement (federal dollars). The local agency will also be advance constructing the project prior to the CTC Allocation Request vote. The AB 872 form was submitted for this project to proceed using local funds prior to the allocation request.

The required documentation is enclosed.

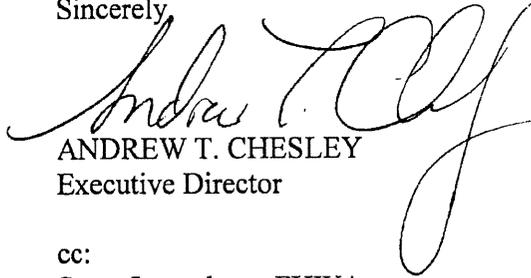

1. CTIPs reports

According to Table 1, these changes are minor changes: e.g. changes consistent with Caltrans' administrative procedures.

SJCOG certifies this amendment does not impact the current Air Quality Conformity Analysis, timely implementation of TCM's or financial constraints and does not result in design concept or scope changes to this already approved project.

If you have any questions regarding this amendment, please contact Jody Swanson of my staff at (209) 468-3913.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew T. Chesley". The signature is fluid and cursive, with a large loop at the end of the last name.

ANDREW T. CHESLEY
Executive Director
