Dear Colleagues:

Attached to this letter you will find SLOCOG's **Amendment #11 (Administrative)**. Per SLOCOG's 2007 TIP, the San Luis Obispo Council of Governments (SLOCOG) Executive Officer is authorized to approve minor amendments as described on page 15 of the SLOCOG TIP and further described in Appendix A-4 of the SLOCOG TIP.

**Amendment #11** provides funding adjustments and project description corrections to projects programmed in the 2006 STIP as well as project awarded federal funding. These projects are all included in SLOCOG's **2007 TIP**. SLOCOG is recommending that a conversion of a STIP TEA Reserve project occur and that it be recognized in the TIP as a Lump Sum entry. Corrections are summarized in **Attachment A (pg 2)**. Additional details are provided in **Attachment B** to this letter **(pg 3)**. **A TE Lump Sum project list is attached per SLOCOG Board action from April 2006.**

This amendment is available on the California Transportation Improvement Program System (CTIPS) or via SLOCOG's TIP database, TransInfo, at <http://transinfo.slocog.org>. If you would like a full copy of the 2007 TIP and amendments, please either visit SLOCOG's website at [www.slocog.org](http://www.slocog.org) or email Rich Murphy ([rmurphy@slocog.org](mailto:rmurphy@slocog.org)).

If you have any questions regarding this amendment, please feel free to call Richard Murphy, SLOCOG's Programming Manager, at 805-781-5754.

Sincerely,

Ronald L. DeCarli, Executive Director
