Dear Colleagues:

Attached, please find SLOCOG's **Amendment #12 (Administrative 07-12)**. Per SLOCOG's 2007 TIP, the San Luis Obispo Council of Governments (SLOCOG) Executive Officer is authorized to approve minor amendments as described on page 15 and further described in Appendix A-4 of the SLOCOG 2007 TIP.

Included with this correspondence is the Amendment Change Report Attachment A (pg 2) and additional details are provided in Attachment B (pg 3).

**Amendment #12** provides technical corrections to two projects. The first is a regionally significant STIP project on Hwy 46 programmed in recent 2007 TIP Amendments 07-05. This project, MPO ID #11300000255; PPNO: 0226C, required a shift of money between phases with no net change. The second technical change was the creation of a Safe Routes to School lump sum category, (#22300000222) as well as the deletion of two Safe Routes to School projects and their replacement into the TIP in this new lump sum category

This amendment is available on the California Transportation Improvement Program System (CTIPS) or via SLOCOG's TIP database, TransInfo, at <http://transinfo.slocog.org>. If you would like a full copy of the 2007 TIP and amendments, please either visit SLOCOG's website at [www.slocog.org](http://www.slocog.org) or email Rich Murphy ([rmurphy@slocog.org](mailto:rmurphy@slocog.org)).

If you have any questions regarding this amendment, please feel free to call Geiska Baker, SLOCOG's TIP coordinator, at 805-788-2104.

Sincerely,

Ronald L. DeCarli, Executive Director
