Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the San Luis Obispo Council of Governments' (SLOCOG) 2006/07 - 2009/10 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
14	<b>State Element</b>
	<ul style="list-style-type: none"> <li>The amendment programs "Route 1 Bilingual Radio Interpretation Study" project in San Luis Obispo County to determine feasibility of establishing a low power radio service to provide travelers interpretive information about Route 1. The amendment programs a total of \$130,000 in the Fiscal Year 2007/08. This project is funded from the National Scenic Byways Program.</li> </ul>

See Enclosure.

The updated programming is for projects in an air quality attainment area that is exempt from the conformity determination requirement. The SLOCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, and meets the requirements of public involvement procedures adopted by SLOCOG.

Pursuant to the authority delegated to me, I approve SLOCOG's Amendment Number 14. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment, for inclusion into California's 2007 Federal Statewide Transportation Improvement Program (STIP). Approval of this amendment does not constitute an eligibility determination of project for federal funding.

Mr. Gene K. Fong/Mr. Leslie T. Rogers
