Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Stanislaus Council of Government (STANCOG) 2006/07 - 2009/10 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
5	State Element <ul style="list-style-type: none">• Adds three Highway Safety Improvement Program funded projects for a total of \$495,000 and adds one State Highway Operation and Protection Program funded project in the amount of \$3,556,000.

See enclosure.

The STANCOG Board Resolution adopting this FTIP amendment certifies that projects included are financially constrained and meet transportation conformity, air quality, and public involvement requirements.

Pursuant to the authority delegated to me, I approve STANCOG's Amendment Number 5. I also recommend that the Federal Highway Administration and Federal Transit Administration approve this FTIP amendment for inclusion into California's 2007 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only.

Please note that the approval of this amendment does not constitute an eligibility determination for the projects that are federally funded.

Please address any questions on this FSTIP approval request to Cathy Gomes, of my staff, at (916) 654-3721.

Sincerely,

RACHEL FALSETTI
Acting Chief
Division of Transportation Programming
