December 8, 2006

Steve Curti, FTIP Coordinator
Caltrans, District 6

1352 W. Olive
PO Box 12616
Fresno, CA 93778-2616

Dear Mr. Curti:

The Tulare County Association of Governments approves the following formal amendment to the Federal Transportation Improvement Program (FTIP). The following amendment will be known as Amendment No. 3 to the 2007 FTIP amending the Congestion Mitigation and Air Quality Program (CMAQ) program and Federal Transit Administration (FTA) 5310:

“The project(s) included in the FTIP by this amendment has/have been demonstrated to satisfy the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e)(2)(ii). Accordingly, the Project(s) has/have been included in the regional emissions analysis of the Regional Transportation plan’s regional emissions at the time of the transportation plan’s conformity determination, and that the design concept, scope, and implementation schedule of the project(s) is/are not significantly different from that described in the transportation plan. In addition, the funding of the project(s) will not delay the implementation of projects in the metropolitan transportation plan or FTIP.”

Amendment No. 3 (Formal)

This part of the amendment satisfies the following conditions, which allows this action to proceed as an administrative amendment:

1. The change only affects projects which are presently air quality conformed in the TCAG 2004 Regional Transportation Plan and the 2007 Federal Transportation Improvement Program;
2. The change will not affect the 2007 FTIP financial plan, as it will be entirely funded by revenues made specifically available for these purposes;
3. The changes will not interfere with the timely implementation of transportation control measures;

4. The project is consistent with the adopted and federally approved Regional Transportation Plan; and
5. The changes are consistent with TCAG Board's Federal Transportation Improvement Program Local Adjustment and Administrative Amendment Procedures approved on November 23, 1998.
