Subject: ***Amendment #7 (Type 3 Formal) to the 2009 Council of Fresno County Governments FTIP***

Ms. Gray:

The Executive Director of the Council of Fresno County Governments as authorized by the Policy Board hereby approves Amendment #7 (Type 3 Formal) to the *2009 FTIP:*

Amendment No. 7 adds the new American Recovery and Reinvestment Act of 2009 projects to the 2009 FTIP and updates revenue to reflect funding made available per the March 30, 2009 Caltrans letter. This amendment includes the addition of exempt projects, modification of existing projects, and Type 2 modifications to existing non-exempt projects. FTIP amendment #7 is consistent with the 2007 Regional Transportation Plan Amendment #2. The FTIP as amended meets all the applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years, therefore a new conformity determination is not required. State and Federal approval will be required.

Fresno COG conducted a 14-day public review and interagency consultation period that was completed on April 3, 2009 at 4:30 pm. The public participation process for Amendment #7 is consistent with the Fresno COG board adopted public participation plan.

Included with this letter are two hard copies of Amendment #7 to the 2009 FTIP and the associated lump sum project listing. An electronic copy of the four year financial plan will be sent via email. This Amendment is available online at the Fresno COG website at www.fresnocog.org. If you should have any questions or comments, please feel free to call Renee DeVere at (559) 233-4148.

Sincerely,

Tony Boren
