Mr. Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
Division of Transportation Programming, MS 82
Department of Transportation
Attn: Mr. Dennis Jacobs
P.O. Box 924874
Sacramento, CA 94274-0001

Dear Mr. Aljabiry:

SUBMITTAL OF ADMINISTRATIVE MODIFICATION NO. 9 TO THE 2009 FTIP

The Kern Council of Governments' Federal Transportation Improvement Program (FTIP) policy is to compile administrative modifications that are made on an as needed basis and report to Caltrans, federal transportation agencies, and air quality agencies. The County of Kern needs revisions to an existing project record. Administrative Modification No. 9 to the 2009 FTIP (Modification No.9) has been included in this report. The Kern COG staff reviewed the member agency request and has agreed to make administrative revisions to the 2009 FTIP reflecting changes to the projects below:

Congestion Mitigation Air Quality (CMAQ) – KER060525 County of Kern

The County of Kern has requested a change to their lump sum project listing. Kern COG concurs with the request to expedite the appropriate changes listed above as part of Modification No. 9 because: 1) there is no change in total funding; 2) the projects are exempt from conformity per 40 CFR 93.126; and 3) proposed project changes do not interfere with the timely implementation of any approved TCMs.

Revisions have been made to California Transportation Improvement Program (CTIPS) database and are reflected in the enclosure. There is no change to the financial constraint documentation of the FSTIP.

If you should have any questions, please feel free to call Raquel Pacheco at (661) 861-2191.

Sincerely,

By 

Ronald E. Brummett,
Executive Director
