Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting Administrative Modification No. 39 to California's 2008/09-2011/12 Federal Statewide Transportation Improvement Program (FSTIP), which makes minor modifications to the rural, non-MPO portion of the FSTIP. Modifications are made to the following projects:

- Modifies the schedule for a Mariposa County High Priority Program (HPP) project, CTIPS ID No. 230-0000-0183. This modification moves \$439,000 of federal HPP funds and \$110,000 of local funds from Fiscal Year (FY) 2008/09 to FY 2009/10. There is no change to the total amount of funds programmed.
- Increases funding for the High Risk Rural Roads grouped project listing. Funding for the Mariposa County Greeley Hill project is increased \$81,000 to \$515,000.

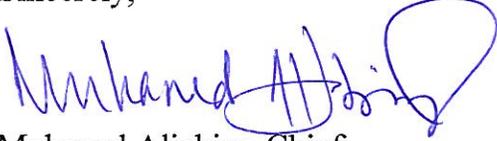

These changes are submitted as an administrative modification. The changes are within the quadrennial element; do not reflect a change in the design concept or scope of the project, or impact financial constraints. Funding is available for this modification. In addition, there are no projects in this Administrative Modification No. 39 that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, this FSTIP modification has been amended into California's 2008/09-2011/12 FSTIP.
