Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting Administrative Modification No. 43 to California's 2008/09-2011/12 Federal Statewide Transportation Improvement Program (FSTIP), which makes a minor modification to the rural, non-MPO portion of the FSTIP. Two new projects are added to the Collision Reduction grouped project listing for the State Highway Operations and Protection Program. These projects are located in Mendocino County and are for safety improvements.

This change is submitted as an administrative modification. The change is within the quadrennial element; does not reflect a change in the design concept or scope of the project, or impact financial constraints. Funding is available for this modification. In addition, there are no projects in this Administrative Modification No. 43 that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, this FSTIP modification has been amended into California's 2008/09-2011/12 FSTIP.

Please address any questions on this amendment to Penny Gray of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
