Subject: Submittal of the TCAG Administrative Modification Amendment No. 10 to the 2009 FTIP

Dear Mr. Aljabiry:

Enclosed for your review and approval is TCAG's Administrative Modification Amendment No. 10 to the 2009 Federal Transportation Improvement Program (FTIP). Amendment No. 10 to the 2009 FTIP modifies one currently programmed project by correcting a typo in the project description and is considered a TYPE I Administrative Modification (Amendment) to the 2009 FTIP.

Amendment No. 10 corrects TUL06-040 "City of Dinuba-Purchase six (6) medium duty CNG vehicles" by correcting the word **eight to six** all other notes refer to 6 are correct. There are no funding changes associated with this modification request.

This currently programmed project is included in the Conformity Analysis for the 2009 Interim FTIP Amendment No. 3 and 2007 RTP Amendment No. 1 and no further conformity determination is required. This amendment does not interfere with the timely implementation of any approved Transportation Control Measures (TCMs). This CMAQ project is exempt from Air Quality conformity analysis. Amendment No. 10 to the 2009 FTIP meets all applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93.

An electronic copy, including the project summary and CTIPS pages will be sent via email prior to this letter, there are no financial changes with this existing project. Amendment No. 10 to the 2009 FTIP is available online on TCAG's website at <http://www.tularecog.org/>.
