Dear Ms. Kiser and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 14 to the California 2010-2014 Federal Statewide Transportation Improvement Program (FSTIP) which makes minor modification to the Rural non-Metropolitan Planning Organization (MPO) portion of the FSTIP. These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

This administrative modification revises funding of a project in Calaveras County and modifies the funding for various grouped project listings. Projects included in this modification are funded from Congestion Mitigation and Air Quality Improvement Program, State Transportation Improvement Program, and Federal Transit Administration (FTA) 5311 Operating Assistance Program.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2011 FSTIP. If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink that reads "Muhaned Aljabiry".

Muhaned Aljabiry, Chief  
Office of Federal Transportation Management Program
