Dear Ms. Kiser and Mr. Sukys:

Please accept Administrative Modification No. 5 to the rural non-Metropolitan Planning Organization (MPO) portion of the 2011 Federal Statewide Transportation Improvement Program (FSTIP). These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

This modification makes a technical correction to one State Transportation Improvement Program project and modifies funding for various grouped projects funded from the Highway Safety Improvement Program and the State Highway Operation and Protection Program. Included with this letter are the summary of changes and the backup listing for each grouped projects.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2011 FSTIP. If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in blue ink, appearing to read "Muhaned Aljabiry".

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
