Dear Ms. Falsetti:

The Sacramento Area Council of Governments (SACOG), using the authority delegated to it by Caltrans, approves Administrative Modification #12 to the SACOG 2011/14 Metropolitan Transportation Improvement Program (MTIP). This constitutes an administrative modification to the Federal Statewide Transportation Improvement Program (FSTIP). The changes are consistent with the FSTIP Amendment and Administrative Modification Procedures. The approved changes will not impact SACOG's financial constraint or the region's air quality conformity.

Administrative Modification #12 is needed to revise the programming of South Sacramento Light Rail - Phase 2, REG15053.

Since administrative modifications do not require Caltrans, Federal Highway Administration, or Federal Transit Administration approval, these changes are now included in California's 2011 FSTIP.

Any questions that you may have should be directed to José Luis Cáceres at (916) 340-6218.

Sincerely,

Matt Carpenter
Director of Transportation Services
