RE: ADMINISTRATIVE MODIFICATION #11-13 TO THE 2011 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM (FTIP)

Dear Ms. Falsetti:

The Southern California Association of Governments (SCAG) is transmitting Administrative Modification #11-13 for 2 projects in San Bernardino County. The projects meets the administrative modification criteria provided by the federal funding agencies with their letter dated November 17, 2008.

SCAG certifies that these projects are not included in any other amendment that is currently open for public review.

The projects included in this administrative modification has demonstrated it satisfies the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e) (2) (ii). Therefore, SCAG through its function as the designated Metropolitan Planning Organization (MPO) has found the attached projects to conform to the applicable State Implementation Plan and to be consistent with the 2008 Regional Transportation Plan (RTP). The update of these projects does not impact the conformity analysis of the financial constraints of the FY 2011 FTIP.

If you have any questions, please contact Rosemary Ayala of my staff at (213) 236-1927 or via e-mail at ayala@scag.ca.gov.

Sincerely,

Hasan Ikhrata
Executive Director
