Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Shasta County Regional Transportation Planning Agency's (Shasta RTPA) 2010/11 – 2013/14 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
12	Local and State Elements

- This amendment adds or modifies projects in the Shasta County region with funding from the Highway Bridge Program, Highway Maintenance Program, State Highway Operation and Protection Program, State Transportation Improvement Program, National Scenic Byways Program, and local funds.

See enclosures.

The Shasta RTPA Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, meets the requirements of public involvement procedures adopted by Shasta RTPA and all applicable planning requirements per Title 23 Code of Federal Regulations Part 450.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve Shasta RTPA's Amendment Number 12. I also recommend that the Federal Highway Administration (FHWA) and the FTA approve this FTIP amendment for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vince Mammano/Mr. Leslie T. Rogers
