**SUBJECT: Administrative Modification #16 to the 2011 Federal  
Transportation Improvement Program**

Dear Mr. Aljabiry:

Please be advised that SJCOG made changes to the 2011 Federal Transportation Improvement Program (FTIP). The SJCOG Executive Director has the authority to approve all administrative modifications.

The proposed modifications are consistent with the 2011 Regional Transportation Plan as amended and the Public Participation Plan (as amended) adopted by the SJCOG Board.

FTIP Administrative Modification #16 amends the following existing projects in the 2011 FTIP:

- (1) Various Agencies, Grouped Projects for Pavement and Resurfacing (CTIPS# 212-0000-0001) increase \$200,000 in RSTP funds in FFY 11/12 and adds Lower Sacramento Road Resurfacing Project to the backup list (Net change 0.2%, Toll Credits apply).

The required documentation is enclosed.

Attachment 1: Summary of Changes  
Attachment 2: CTIPS Reports and Backup List

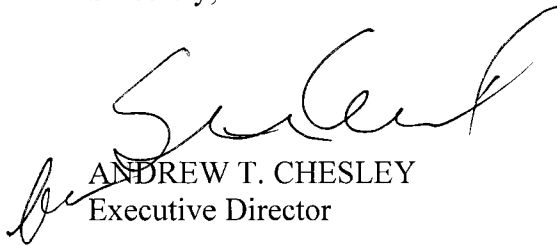

With the modifications identified in this document the SJCOG 2011 FTIP remains financially constrained. SJCOG certifies that this modification contains exempt projects and does not require a conformity re-determination. SJCOG also certifies that this modification does not impact the timely implementation of any TCM's and that no project included in this modification is included in any other amendment or modification to the FTIP

currently out for public review or approval.

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Improvement Program (FSTIP). This revision is consistent with the approved Administrative Modifications/Amendments Guidelines and Procedures.

If you have any questions regarding this modification, please contact Ms. Sam Kaur of my staff at (209) 235-0583.

Sincerely,

ANDREW T. CHESLEY
